

Support Us

There are many ways that you can support Providence Christian School NW:

1. Donate

At any point in the year, if you want to donate to the school – we can provide a receipt. Your generosity is greatly appreciated! You can stop in the office or mail a check to PCSNW – 5950 Portal Way, Ferndale, WA 98248

2. Wish & Need List

Please ask the office staff about the current updated list. It is best to check with the office before purchasing an item as we've had people buy the same item – not knowing that it was already purchased.

3. Volunteer work

There's plenty of volunteer work that would be appreciated if done. It could be from cleaning, to doing outside recess duty, to helping out with miscellaneous things around the school campground. Just let the office know if you would like to participate in this way.
